

# CENTRAL WEST TRILLIUM CIRCUIT

# 2022

## Welcome to Central West Trillium

The Central West Trillium Zone is incorporated as a not for profit organization and is governed by the rules of Equestrian Canada (EC). The bylaws of the Central West Trillium Association govern the conduct of its governing body and all members in the zone.

The Trillium Hunter Jumper Association has divided the province into seven geographical zones. The main premise behind this decision was that competitors would not have to travel significant distances on a regular basis to be involved in the horse show circuit.

They can show relatively locally, and complete their division in one day. This geographic division of the province has served the organization very well in that on any given weekend, there can be as many as seven Trillium Shows on! The Zone offers hunter, jumper, equitation and hack classes at all of its shows.

The circuit is comprised of ten horse shows that run through a set region within the province of Ontario. Central West has competitions from the Niagara Region to up and into the Golden Horseshoe. The series end Championships hosts the best in the province!

Central West has a proud tradition within the Trillium Hunter & Jumper Association which started in 1983 and has been growing with one of the biggest memberships of the THJA. The organization was designed with the goal of bridging the gap between local schooling shows, and the "A" Circuit. The Trillium Circuit would provide exhibitors a viable local alternative to pursue their equine competition interests, and would provide a training ground for new judges, course designers and stewards.

# What You Need to Know

Anyone mounted on a horse or pony must wear an ASTM/SEI or BS EN approved helmet with the safety harness correctly fastened at all times while on the competition grounds.

Competitors must compete in a minimum of three shows during the season in the same division(s) to qualify for the Trillium Championships and year-end awards.

**Hunter**— Second accumulative refusal, run out or bolting while on course results in elimination.

**Pony Measurement**— Ponies 8 years and over that have been officially measured at an Equestrian Canada sanctioned event will be issued an official measurement card. All ponies will be subject to random measurements regardless of whether or not the pony has a permanent measurement card. For further information see EC Rule General Regulations, Article 1104.

**Unjudged Schooling Round**— Some shows will be offering competitors an un-judged hunter schooling round. The round will be open to all riders, including professionals. Full dress is required. The set course will be jumped only once (2 refusals constitute elimination). Each horse/pony is limited to one unjudged schooling round per ring, per day. Equitation riders, who are not competing in other divisions, may school over the set schooling course for the respective height.

**Scratched Entries**— Scratched entries will pay the scratch fee, in full, with the administration fee. If the entry does not scratch with the show office then full entry fees will apply. Hunter classes— once the division has started over fences-class fees will not be refunded. Jumper/Equitation/Medal classes— once a class has started the class fee will not be refunded.

**Unpaid Show Accounts**— Unpaid show accounts will be reported to the Zone committee and competitor/owner will be considered “not in good standing.” This will affect the future status of the competitor/owner on the THJA circuit.

## **The 50% Rule in 2022**

As a development focused provincial circuit the THJA has voted to relax the 50% rule to allow for horse/rider combinations to move between divisions as their coaches feel appropriate. This adjustment will allow our athletes to develop their competition skills at the level that is suitable at that point in time during the season. Points will still ultimately determine the top seven in each division. Following lengthy discussion of the 50% Rule of the THJA the board of directors has voted to adjust the 50% Rule for the 2022 season as follows in an effort to allow for flexibility.

A competitor must show (Show=Marked on a Judge’s Card) in a division at a minimum of 50% of the THJA shows in their zone for their points to count towards Championship Show. For 2022, movement of a horse/rider combination between eligible divisions over the course of the season will be considered in the overall show count to meet the 50% requirement. A competitor must show (Show = Marked on a Judge’s Card) at a minimum of 50% of the THJA Shows in their zone in their respective equitation/medal classes for their points to count towards Championship Show. Showing in only equitation/medal classes at a show will not be considered towards division participation tallies. In zones with six or fewer shows, competitors must attend a minimum of three shows regardless of the 50% rule.

In the Central West Trillium Zone you must compete in **3** shows to qualify for the Championships.

IT IS YOUR RESPONSIBILITY TO KNOW THE RULES!

# Official Program, Rules, and Claims

The Trillium shows listed in this program are recognized provincial circuit competitions of Equestrian Canada (“EC”) and its rules and regulations. The Trillium shows listed in this program are sanctioned as Silver and Bronze competitions of Equestrian Canada 308 Legget Drive, Suite 100, Ottawa, Ontario, K2K 1Y6 and are governed by the rules of EC.

## Equestrian Canada Statement of Principles

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction. EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization’s rules, and to work within industry regulations in all equestrian competition;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

## Rules of Equestrian Canada

- Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person(s) responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. **Do not participate in these EC-sanctioned competitions in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competitions.**
- Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book.
- Any horse entered in any class at a competition may be selected for equine medication control testing while at the event location.
- Every entry must be provided an identification number by the competition organizing committee which must be worn and visible at all times in the schooling and/or exercise areas as well as in the competition ring.
- “When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are selfcoached. Coaches from other countries, must be in good-standing with their home

federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments.

- All horses attending Equestrian Canada sanctioned competitions must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations.

## Central West Zone Code of Conduct

All members, coaches, parents and visitors should conduct themselves in a manner which reflects the values and ethics of Equestrian Canada. Anyone who engages in or is party to conduct inappropriate to a show manager, official, staff, volunteer, competitor, or any person on the show grounds will be reported to the Show Steward. The Show Steward has the authority to uphold the code of ethics and may ask the offending party to leave if necessary, and will include the violation in their show report to Equestrian Canada. The Code of Conduct is also available on the show entry form at [www.centralwestzone.com](http://www.centralwestzone.com).

We believe that the equestrian sport is based on a partnership between horse and human athlete.

We believe that it is the right and responsibility of Equestrian Canada to set standards in matters of ethics, sportsmanship and the welfare of the horse and in all matters under its jurisdiction.

## Memberships and Horse Recording Requirements

Equestrian Canada (EC) has stringent rules and regulations regarding membership and Horse Recording requirements. Considering this, competitors and horse owners will be required to provide proof of their EC, Ontario Equestrian (OE), and Trillium Hunter Jumper Association (THJA) membership cards and proof of payment of updated sport licenses at each show office. Temporary Sport Licenses and/or Temporary Horse Recording will be required to be purchased at each show if proof of membership is unavailable (actual cards & receipts). No points will be accumulated on a temporary license.

## Notable EC Rule Changes for 2022

**A102**—Effective 2022, EC Sport License holders at least 18 years of age must complete recognized safe sport training modules addressing the recognition and prevention of maltreatment in sport and concussion. Coach Status is also required to engage in coaching activities at EC sanctioned events.

Horses not in compliance with this rule may be asked to leave the event site at the discretion of Competition Management.

**G103.2**—In the case of a fall of a horse or pony, Article A517.4 will apply. The officiating steward, judge, technical delegate, president of the ground jury or appointed competition veterinarian has the authority to remove a horse from the event for a period of up to 24 hours, if in their reasonable opinion the horse is unfit to compete, or where, in their reasonable opinion, there is a safety concern regarding the horse. The official's decision is final and cannot be appealed.

**G103.2**—In the case of a fall of an Athlete anywhere within the grounds of the event during the hours of competition operation, the Athlete must be cleared by the Competition’s medical service before the Athlete may continue to compete in the next round or Competition. The competitor is solely responsible for ensuring the onsite medical assessment takes place. This rule is applicable to all competitors (including foreign) at EC sanctioned events and applies to falls/accidents that occur at the event location.

**G116**—FEI approved breakaway track systems (metal or plastic) are mandatory in all jumper, hunter, and equitation arenas and all warm up arenas.

# THJA Division Specifications

The following is this year's offering of divisions and classes by the THJA. Certain divisions may be combined at qualifying competitions throughout the season, however they will run as separate divisions at the Championships.

## Equitation

Equitation is judged on rider ability. The rider competes either over fences or on the flat and they are judged on both their position and their correct use of the aids to produce an accurate ride. Conservative, traditional attire is required. Gloves are expected. Black or brown smooth leather half chaps are permissible providing they match the boot colour. Only approved helmets of a conservative colour are allowed. See Equestrian Canada Rules Section G Article G1003 for dress requirements.

A horse or pony ridden in an Equitation Class Over Fences, or in the Jumper Medal Class may only be ridden in that class by one rider.

**"A" Equitation Over Fences** – Open to riders on Large Ponies with fences at 2'9"; and on horses at 3' or 3'3".
