

CENTRAL WEST

TRILLIUM CIRCUIT

Welcome to Central West Trillium

The Central West Trillium Zone is incorporated as a not for profit organization and is governed by the rules of Equestrian Canada (EC). The bylaws of the Central West Trillium Association govern the conduct of its governing body and all members in the zone.

The Trillium Hunter Jumper Association has divided the province into seven geographical zones. The main premise behind this decision was that competitors would not have to travel significant distances on a regular basis to be involved in the horse show circuit.

They can show relatively locally, and complete their division in one day. This geographic division of the province has served the organization very well in that on any given weekend, there can be as many as seven Trillium Shows on! The Zone offers hunter, jumper, equitation and hack classes at all of its shows.

The circuit is comprised of ten horse shows that run through a set region within the province of Ontario. Central West has competitions from the Niagara Region to up and into the Golden Horseshoe. The series end Championships hosts the best in the province!

Central West has a proud tradition within the Trillium Hunter & Jumper Association which started in 1983 and has been growing with one of the biggest memberships of the THJA. The organization was designed with the goal of bridging the gap between local schooling shows, and the “A” Circuit. The Trillium Circuit would provide exhibitors a viable local alternative to pursue their equine competition interests, and would provide a training ground for new judges, course designers and stewards.

What you need to know

Anyone mounted on a horse or pony must wear an ASTM/SEI or BS EN approved helmet with the safety harness correctly fastened at all times while on the competition grounds.

Competitors must compete in a minimum of four shows during the season in the same division (s) to qualify for the Trillium Championships and year-end awards.

Hunter—Second accumulative refusal, run out or bolting while on course results in elimination.

Ponies 8 years and over that have been officially measured at an Equestrian Canada sanctioned event will be issued an official measurement card. All ponies will be subject to random measurements regardless of whether or not the pony has a permanent measurement card. For further information see EC Rule General Regulations, Article 1104.

Unjudged Schooling Round— Some shows will be offering competitors an un-judged hunter schooling round. The round will be open to all riders, including professionals. Full dress is required. The set course will be jumped only once (2 refusals constitute elimination). Each horse/pony is limited to one unjudged schooling round per ring, per day. Equitation riders, who are not competing in other divisions, may school over the set schooling course for the respective height.

Scratched Entries— Scratched entries will pay the scratch fee, in full, with the administration fee. If the entry does not scratch with the show office then full entry fees will apply. Hunter classes— once the division has started over fences-class fees will not be refunded. Jumper/Equitation/Medal classes— once a class has started the class fee will not be refunded.

Unpaid Show Accounts— Unpaid show accounts will be reported to the Zone committee and competitor/owner will be considered “not in good standing.” This will affect the future status of the competitor / owner on the THJA circuit.

The 50% Rule

As a development focused provincial circuit the THJA has voted to relax the 50% rule to allow for horse/rider combinations to move between divisions as their coaches feel appropriate. This adjustment will allow our athletes to develop their competition skills at the level that is suitable at that point in time during the season. Points will still ultimately determine the top seven in each division. Following lengthy discussion of the 50% Rule of the THJA the board of directors has voted to adjust the 50% Rule for the 2021 season as follows in an effort to allow for flexibility: | A competitor must show (Show=Marked on a Judge's Card) in a division at a minimum of 50% of the THJA shows in their zone for their points to count towards Championship Show. For 2021, movement of a horse/rider combination between eligible divisions over the course of the season will be considered in the overall show count to meet the 50% requirement. | A competitor must show (Show = Marked on a Judge's Card) at a minimum of 50% of the THJA Shows in their zone in their respective equitation/medal classes for their points to count towards Championship Show. Showing in only equitation/medal classes at a show will not be considered towards division participation tallies. | In zones with six or fewer shows, competitors must attend a minimum of three shows regardless of the 50% rule.

In the Central West Trillium Zone you must compete in 4 shows to qualify for the Championships.

Key components of the rule include the following:
